

April 10, 1975

CLERK: Mr. President, a Reference Report. LB 593, previously referred to the Government Committee has been referred to General File. Signed, Senator Mahoney, Chairman.

PRESIDENT: Mr. Speaker, do you have anything for the House? Well when you hesitate that indicates you don't.

SPEAKER: I will have on the desks of the members of the Legislature, especially it will be for the benefit of the committee chairmen. We need to have a report, and to have the bills advanced from the committees sometime next week, and possibly by Wednesday evening so we can make some decision by Thursday of our future work. Bills that are in committees will be considered as dead, or action taken by the floor of the Legislature sometime next week.

CLERK: Mr. President, I move we adjourn until Monday ten o'clock, April 14th.

PRESIDENT: Senator Warner.

SENATOR WARNER: Point of information from the Clerk. What bill number did you read as being referred direct to General File?

CLERK: LB 596.

SENATOR WARNER: Thank you.

PRESIDENT: Senator Dickinson.

SENATOR DICKINSON: I had the same question.

PRESIDENT: Alright. Mr. Speaker.

SPEAKER: I would like to report to this body that upon the passage of LR 28, the resolution, as I indicated I would contact . . . some of the delegation in Washington. I did visit with Senator Carl Curtis. He informed me that within the last day or so there are some funds available. If they need any further help from this body, or any advice or suggestions he would report back to me either this afternoon or tomorrow noon, before noon. So the proposals in Washington are going ahead. We don't feel at this time that there needs to be anymore input from this body.

PRESIDENT: Senator Stoney, for what purpose do you arise?

SENATOR STONEY: Mr. President, members of the Legislature, I have a question of the Clerk. Mr. Clerk, on LB 596, which bill is that please?

CLERK: It's the new bill that was introduced today to repeal the National Guard enlistment bonus bill.

SENATOR STONEY: And it's in what committee . . . or was scheduled for what committee?

CLERK: It was referred to General File. Earlier it had been referred to the Government Committee.

SENATOR STONEY: Alright, thank you.
